MOBILIZED PATRIOTISM

(Continued from page 1)

Fulton county—are to effect under
the direction of their division or coun-
ty chief, such organization as the
League of American Patriots. Politi-
cians, sectarianism, and personalities
have no place in these organizations,
but they are intended to and do cre-
ate a court of public opinion before
which fact and falsehood may be
brought and judgment rendered. By
this means, much that might develop
into serious disloyalty and treas-
onable opposition to the government is
checked, the legal courts are relieved,
co-operation of citizens with the gov-
ernment is assured, and the decrees
of this Court of Public Opinion have
been found to be quite as effective as
the decrees of some other courts.
That there will be some appearance
of lawlessness in the details of organi-
zation, some errors in action, is to be
expected; even duly constituted legal
courts have occasionally been found
in error, but the aim is to be fair and
impartial; at the same time firm in
exposing disloyalty and delinquency
in duty on the part of any citizen. We
must stand shoulder to shoulder doing
our best here at home if we expect
our men at the front to do their best
for us and if as a nation we are to
do our share in winning this war.
Realizing the nature of this move-
ment, the Press generally with-
held criticism and has given to the
movement hearty support. In only
one instance has there come to our at-
tention has a newspaper presumed to
criticize such an organization with
evident intent of discrediting it in
the public mind and effecting its disin-
tegration.

The meeting Friday evening will be
addressed by the Rev. Mr. Hershey
of the Presbyterian church of Napo-
leone, who is a forceful and eloquent
speaker. One case of disloyalty and
treason will be before the league for
consideration.

Are You One of Them?

There are a great many people who
would be very much benefited by tak-
ing Chamberlain's Tablets for a week
for disordered stomach. Are you one
of them? Mrs. M. R. Seal, Bal-
dwinville, N. Y., relates the follow-
ing experience in the use of these tablets:
"I had a bad spell with my stomach
about six months ago, and was
troubled for two or three days with
gas and severe pains in the pit of
my stomach. Our druggist advised
me to take Chamberlain's Tablets. I
took a bottle home and the first dose
relieved me wonderfully, and I kept
on taking them until I was cured. I

AS JAKE SEES THINGS
The parks was a glorious place to
let the youngsters pass time as they
have all kind of swings and diving
boards and a lot of other things for
the young ones to pass time, but one
young man had been unlucky, he bet-
ter done like I did when young—stade
at home—he drove once too much and
hid the bottom and broke his neck,
and no more diving for him, the Am-
bu-lance Auto took him a way on the
Hurs, not a one was in the water
after he was dead all lost pleasure in
the water, and I think I am best yet
as I never was a fish by birth but a
U. S. A.

The Pettisville farmers are hid hard
as it is the finest farm country and the
best farmers to take care of farms I
did see yet, but on Sunday they had a
hale storm, I never seen the like, the
corn fields are sowed to buckwheat
and the wheat fields are all cut down
and the barley. John Weaver Levy
Beck and David Burkholder—Beck has
37 window nook in from the hale and
most all a long torus Ridgeville has
bin more or less trested by the hale
Christ Eicher and George Weaver and
Philip was saying they have nothing
to do on the farm, the wheat barley
ats is thrash and the potatoes are
hewed and the corn is plowed for the
last time.

The parade was fine to see from
the Jefferson Hotel corner windows
as it has 3 on the N. W. and 2 on
the N. E. side and the fire escape
on that side so I set out to see all
the way up the Jefferson st. and
down to the river, some scenery from
the fire escape and money was on it
to see the Red Cross workers with
their flag some 20 ft. long and some
10 ft. wide and money got their
dimes and quarters on to help to pay
the expense for their big show they
left the sides and ends high so it
would roll in the middle to see the pile
as I could up high on the fire escape.
I took from 10 o'clock till in the af-
ternoon to get all around and money
had a thing in the hand on July 5
to remind the Red Cross to get one
more dime or quarter. Their was
some 10,000 in the parade in Toledo
the 4 of July, the Red Cross had the
best scenery for me.

The street cars was very well
loaded in the morning from Detroit
to quench their thirst, and was so
dry they did get a free Auto ride to
the cooler before they got to ride
back as the st. cars did not want
them so heavy, so they had to help
them get on for fear they get hurt,
next time they may not take such a
heavy load so they can carry it alone.

Wauseon people publicly recom-
mend Doan's Kidney Pills. This pa-
per is publishing Wauseon cases from

where. Home testimony in home pa-
pers. Doan's are praised in fifty
thousand signed statements, published
in 3,000 communities. Wauseon peo-
ple are no exception. Here's a Wau-
seon statement:
P. H. Bayes, retired farmer, E. Elm
St., says: "Five years ago I suffered
with backache and other symptoms of
kidney trouble. I couldn't do much
work, as I had that pain in my back
constantly. It was an effort for me
to do any work the pain was so bad.
I could hardly straighten after I
stooped over and sometimes it felt as
if some one were sticking needles
into my back. My kidneys were in
bad shape and didn't act as they
should. I had heard of Doan's Kidney
Pills for a great many years and I
gave them a trial. Four boxes re-
lieved the pains and all the other
signs of kidney trouble."

FOR COUNTY TREASURER
Mr. C. E. Diabrow is a candidate
for the nomination as county treas-
urer on the Republican ticket at the
Primary Election, August 13th. Mr.
Diabrow was a candidate for this
nomination four years ago; his
record as a business man, a citizen,
and a Republican, are well known
throughout the county. Owing to
conditions which exist and which call
for the constant help of every one,
Mr. Diabrow will not be able to see
the voters of the county personally
and he takes this method of present-
ing his candidacy and asking the sup-
port of his fellow citizens, assuring
them of his faithful, conscientious
and efficient service if elected to this
office.—Adv.

BEST IN THE LONG RUN The World's First Torpedo Failed

ITS inventor, David Bushnell, an American, in 1776
attempted to sink the British warship, Eagle.

Bushnell towing his torpedo, charged with powder,
by means of a hand-power screw-submersible, planned
to fasten it to the hull of the attacked ship with a
steel plunger; then explode it by clock work.

His torpedo—too much of an experiment—failed.
Safeguarding the user against failure, Goodrich
never markets an experiment, tires or anything else.

Goodrich Tires, though built with the experience and
skill of the oldest and largest rubber factory, are proved
out by the practical road travel of Goodrich Test Car
Fleets to make them in word and deed—

**GOODRICH
SERVICE
VALUE TIRES**

For Goodrich recognizes but one value in tires—
their SERVICE VALUE on your car and on the road; one
tire value—SERVICE VALUE.

Whatever pounds of rubber and other material go
in tires; whatever hours of work and skill, their
VALUE to motorists is their SERVICE, in com-
fort, dependability and durability.

And you are sure to get it if your tires are
GOODRICH SILVERTOWN CORDS, or
BLACK SAFETY TREADS.

Make sure of economy and security in tires by
demanding big, masterful SERVICE VALUE TIRES.
